YOUR SKIN IN EXPERT HANDS

Feel the *LUXURY* on your skin...

Leading the way in skincare innovation for over 50 years

The Woman behind a vision of Beauty, Health & Environmental Care

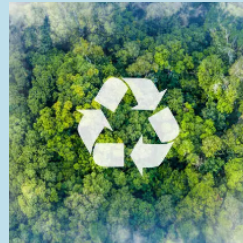

Germaine de Capuccini was created in 1964 by Carmen Vidal, an unconventional woman of her time, recognised by the prestigious international magazine, Marie-Claire, as the creator of the first Spanish cosmetic empire and as one of the women who revolutionised the world of professional cosmetics.

Environmental Commitments

Germaine de Capuccini became the first company in the professional skincare sector to become CO2ZERO

and

to invest in the research and technology to create packaging for products that are 100% biodegradable and compostable.

THE CLEANSING EXPERT

365 EXFOLIATING FOAM 150ml / 5.1 fl oz

Experience instant deep exfoliation that unclogs pores and refines skin texture without irritation. This ultra-gentle cream-to-foam exfoliating cleanser transforms into a rich, velvety lather on contact with water. Its delicate mechanical exfoliation gently buffs away impurities and dead skin cells, renewing and preparing the skin while preserving its natural comfort. The complexion is left smooth, refreshed, and visibly more radiant.
